## ATTENTION RESIDENTS

As the COVID 19 Vaccinations efforts continue. The Oklahoma City Housing Authority is continuing the following measures for the protection of our residents and employees.

- **We recommend all residents continue practicing social distancing and abide by the mask policy.**
- Our Management and Maintenance Staff are onsite working Monday through Friday and our offices will be re-opening **July 6, 2021** with certain social distancing guidelines in place. **Only two (2) people may be in the lobby at a time.**
- All common areas will be opening on **July 6, 2021** with social distancing guidelines in place.
- Common areas and common surfaces (elevators, door handles, railings, chairs, tables and countertops, etc.,) are disinfected **at least** twice daily. We will continue this effort throughout the course of the current COVID-19 outbreak. Laundry facilities are open; however, we strongly encourage anyone using the laundry facilities to practice social distancing, which means keeping at least six feet between yourself and others.
- We continue to advise all residents to limit visitors coming into the building to those that are **essential to maintaining their health and safety**. We ask that you encourage any guests or visitors to your property who are sick to stay home.
- All activities and group gatherings may resume on July 6, 2021 with proper social distancing procedures in place.
- **Rent is still due during this period** and will accumulate if unpaid. Please visit with your manager regarding our Special Payback Agreement for COVID 19. For rental assistance, please visit, <https://okcommunitycares.org/> or call 2-1-1. Residents should request an interim re-examination if they have lost wages during this period.
- We encourage all residents to continue to utilize CDC recommended health and hygiene guidelines: wash your hands frequently; avoid touching your face, eyes, and mouth, sanitize commonly used surfaces, wear a mask in public, and maintain proper social distancing (6 feet away).
- Please continue to monitor your symptoms, such as fever, cough, and/or difficulty breathing and call your health care provider or COVID-19 hotline at 877-215-8336 for recommendation first. If you have the virus or been exposed then you need to self-isolate.
- We encourage all residents to get the Covid 19 Vaccination. Please visit <https://oklahoma.gov/covid19/vaccine-information.html> to schedule your vaccine.

The health and safety of our residents is our top priority, and as such, we must take these measures to help keep you and your families healthy. **We will continue to keep our residents updated by sending and/or posting notices around the properties. You can also visit [https://www.ochanet.org/alert\\_detail.php](https://www.ochanet.org/alert_detail.php) for additional guidance and information.**
